

Parents information for the children's First Confession

8th May 2021 and 15th May 2021

We are really hopeful that your children will be able to receive the Sacrament of Reconciliation on the above dates.

The lists with your child's name and time to arrive at the church are also attached. Please email Carolina on c.boston@btinternet.com to let her know if the spelling of your child's name is correct. If not please type the correct spelling. This is very important so that we get the certificates with the correct spelling.

We are listening to Government guidelines and doing everything to keep everyone safe. Children, Parents, Catechist and our Priest Fr John.

Please arrive at your correct time. The church doors will be open but only your child will come into the church. Each child will be met at the church door by a catechist and taken to Viv who will take your child into the confessional. When they come out they will be taken by a catechist to light a candle and say a prayer, Fr John will then come out and give the child their Reconciliation certificate. They will then be taken back to their parent.

There will only be one child in the church at time.

At the meeting on the 28th April we will explain all this again, and Fr John and Viv will do a roll play of going to confession. So please log on to this meeting for all the information.
